

NEW MOKKA X

2017 Models Edition 1

IT'S YOUR LIFE, GO DRIVE IT.

The 'X' in Mokka X hints at everything Xtra exciting about it.

Xtra height, and that Xtra feelgood factor of driving high and mighty above the crowd.

Xtra traction, whether you're on the motorway, nipping around town or going off-road – it stays confidently on track.

Xtra muscle, with an intelligent four-wheel drive system that gives new Mokka X improved stability, traction and handling. Ideal when you're faced with the worst the British weather can throw at you.

And let's not forget all its Xtra clever technology. On the safety front there's LED Adaptive Forward Lighting, while inside you'll find a totally redesigned facia with touchscreen infotainment, 4G Wi-Fi and Vauxhall OnStar as standard.

So you can see, that whatever your lifestyle, new Mokka X is ready to bring something Xtra.

LIVE THE HIGH LIFE.

Underneath that rugged exterior, new Mokka X shows off plenty of sophistication. Here's a taste of the highlights – beginning with some rather clever headlights:

1. **LED Adaptive Forward Lighting** tailors the shape of your headlights' beam for up to nine different driving situations, giving you optimum visibility at all times. Be enlightened on page 13.
2. **Vauxhall OnStar** doesn't just give you 4G Wi-Fi on the go (cool enough), it's also a 24/7 onboard personal assistant with full GPS that – at the touch of a button – can connect you with a real person in the event of an emergency, or even just give you directions if you're lost. Get personal on pages 16-17.
3. **4X4 intelligent All Wheel Drive** will automatically distribute the power between the front and rear wheels to optimise Mokka X's traction in difficult conditions, giving even greater grip. Steer your way to page 10.
4. **R4.0 IntelliLink**. Stay informed and entertained with a state-of-the-art infotainment system, featuring a touchscreen interface that seamlessly integrates your digital devices using either Apple CarPlay or Android Auto. Fast forward to page 21.
5. **Ergonomic seats**, specially certified by the AGR*, with extendable thigh support and an adjustable lumbar area to support you in all the right places and keep your back healthy. Sit back, relax and check out page 8.
6. **Ski and snowboard carrier**. Skiers can carry up to six pairs of skis or four snowboards safely and securely with this tough carrier, available as an accessory. To discover more lifestyle accessories, head to pages 34-35.

TAKES TOWN AND COUNTRY TO A DIFFERENT CLASS.

New Mokka X brings premium design and practicality to the street smart SUV.

Nicely compact with a muscular shape, it not only looks and drives great in the city, but has the ride height and big alloy wheels to go off-road with confidence.

1. **Xtra all-round.** In every detail, Mokka X shows off urban style with a rugged attitude.
2. **Ready for action.** Useful features like roof rails enhance Mokka X's poised and sporty look.
3. **Let the outdoors in.** The big optional glass sunroof adds to the great sense of space inside.

FEELS GOOD INSIDE.

Step into the new Mokka X, and the first thing you'll notice is its premium quality and elegant minimalism.

Its airy, uncluttered cabin and fascia give you a true sense of spaciousness, heightened by Mokka X's elevated position that gives you a clear view of the road ahead.

Detailed refinement and upscale quality continue throughout the cabin. Deeply contoured ergonomic seats*, smart technology and thoughtful features show off the careful design that has gone into the new Mokka X interior.

Storage space is also generous and clever, with improved arrangements that are even more useful.

Throughout the cabin, delicate curves complement the high-quality trim to highlight the cool, calm and comfortable feel of Mokka X's new interior. Welcome inside.

*Standard on Elite models only.

1. **Clarity and style.** The clean, uncluttered layout of the centre console with the integrated IntelliLink touchscreen display makes it easy to find key controls at a glance.
2. **Practical technology.** Complementing the IntelliLink touchscreen display, the driver display in the instrument cluster shows up loud and clear.
3. **Crafted with care.** Stylish fascia stitching shows off the Mokka X's quality in even the smallest of details.

IT GRIPS YOU.

Whether you're driving around tight city streets or up steep country lanes, new Mokka X is made for the challenge.

Combining brains with brawn, optional 4X4 intelligent four-wheel drive technology gives new Mokka X greater traction, stability and control using sensors to continuously monitor the car's grip.

As the road surface changes, the 4X4 system automatically distributes drive between the front and rear wheels to optimise road holding.

But the high-tech doesn't end there.

The hill start assist will stop you rolling back on steep hills by automatically releasing the brakes as you pull away, while with a descent control system you can take your new Mokka X 4X4 off-road and safely control your speed on steep downhill gradients without having to brake.

LIGHTS WITH BRIGHT IDEAS.

Mokka X is one of the first SUVs to offer full LED Adaptive Forward Lighting (AFL). This literally brilliant LED technology automatically adjusts an array of LED beams to illuminate different hazards, depending on the kind of driving or manoeuvre you're performing.

How AFL works. AFL headlights on the Mokka X feature six LED elements that light the road 30% brighter than standard halogen lights, giving you a better chance to see hazards sooner and giving you more time to react in an emergency. The AFL LED system uses data such as the Mokka X's speed, steering angle and indicators to choose the best lighting pattern.

Energy saving mode.

Switches off the cornering lights to save energy when the Mokka X's Start/Stop mode is on.

Parking light. In reverse gear, this switches on the front cornering light on both sides of the car so it makes it easier for you to get in and out of parking spots.

Static cornering light (up to 25mph). When you indicate and turn the steering wheel past a certain angle extra AFL LED lights come on to show what's around the corner.

Dynamic curve light (25 to 45mph). Above a certain steering angle, extra cornering AFL LED lights give you an illuminated view around higher-speed curves.

Motorway light. Powerful illumination on top of the LED low beam – gives you full-on lighting for maximum visibility at night and on low-lit roads.

Country light. Above 34mph, a longer, broader, dazzle-free, low-beam light helps to illuminate any upcoming roadside hazards.

Urban light. At speeds under 35mph, a wider spread of light shows more of the roadside to help show up pedestrians or other potential hazards.

High beam assist. This safety feature automatically dips your headlights when the AFL LED system detects other vehicles approaching.

Tourist mode*. If you're driving on the continent, to avoid dazzling oncoming traffic the headlights automatically angle slightly downwards.

*When activated.

EFFICIENCY WHERE IT COUNTS.

You know what they say – power is nothing without control.

Which is why Vauxhall developed intelligent 4X4 technology and new, fuel-efficient engines for the new Mokka X, including a powerful 4X4 6-speed automatic.

The new Mokka X delivers:

- A tough yet lightweight chassis for exceptional agility
- Impressive driving performance, both on and off-road
- Low-noise, high-power diesel technology
- ecoFLEX technology for reduced emissions and lower fuel costs

Go on – just put new Mokka X to the test and we're sure you'll have nothing but a smile on your face.

1. **No compromises here.** Our 1.4i petrol turbo is powerful for its relatively small size, giving great fuel economy without compromise on performance and muscle.
2. **Save at the pumps.** Our ecoFLEX diesel models deliver total efficiency which means you spend less on fuel at the pumps.
3. **A nice change.** Choose the convenient 6-speed automatic or a hands-on 5 or 6-speed manual for amazing response with powerful control.

VAUXHALL  **Star**[®]

YOUR PERSONAL ON BOARD ASSISTANT

Vauxhall OnStar¹ gives you an incomparable feeling of safety,
24/7, 365 days a year.

Best of all it's free of charge for the first 12 months on all Mokka X
models. Even for your 4G Wi-Fi Hotspot² you will get a free data
trial period³.

Driving will never be the same again.

WHAT ONSTAR CAN DO FOR YOU.

SOS

Automatic Crash Response.

In the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor, who will be immediately connected to your car. The advisor will assess the situation and if needed notify the emergency services and provide them with your exact GPS location¹.

4G Wi-Fi Hotspot².

Your car is online! The extra-powerful OnStar roof antenna gives you a stable and quick Internet connection and creates a Wi-Fi Hotspot² for up to seven devices¹.

Smartphone App.

At the touch of a button, remotely lock/unlock your doors, check your oil life or sound the horn and flash the lights¹.

Stolen Vehicle Assistance.

If someone steals your car, call our OnStar advisors and give them the reference number the police gave you. The advisor will then provide the police with the location and prevent your car from being restarted so it can be recovered¹.

Vehicle Diagnostics.

Whenever you want you can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you wish, OnStar can also send you a monthly e-mail with this key data.

Destination Download.

Searching for an alternative route, a restaurant, a petrol station or anywhere else you might need? Just press the Service Button! Our advisors will provide you with the address. They can automatically download the location to your Vauxhall's navigation system^{1,4}.

YOUR PRIVACY. YOUR CALL.

You are in control of what OnStar can and cannot do!

- Once you've registered and activated OnStar, you can access every OnStar Service available on Mokka X models. To ensure security, several services will ask for your PIN.
- Press and hold the Privacy Button for approximately five seconds to mask your car's location at any time. If you change your mind, press the Privacy Button again for approximately five seconds to reveal your location. Only in emergencies⁵ can OnStar override this.
- OnStar Europe Ltd t/a Vauxhall OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (i.e. Adam Opel AG and General Motors UK Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

¹The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator.

²4G is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check www.vauxhall.co.uk/onstar for terms and conditions, details of availability, coverage and charges. ³For details please check www.vauxhall.co.uk/onstar ⁴An embedded Vauxhall navigation unit and map data are requirements for this service. ⁵In events such as a crash or if your vehicle is stolen.

HOW CAN I GET ONSTAR?

Vauxhall OnStar is standard on all Mokka X models.

To get it:

1. Request OnStar when you order your new Vauxhall Mokka X.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase 4G Wi-Fi Hotspot¹ data packages separately from the nominated network provider by following the instructions on www.vauxhall.co.uk/onstar. Charges apply after the free trial period.

To find out more, visit www.vauxhall.co.uk/onstar

HOW MY VAUXHALL SERVICES DO MORE FOR YOU.

My Vauxhall is your one-stop shop to manage everything to do with your Vauxhall – from your Vauxhall OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Vauxhall you drive.

- Manage your Vauxhall – take care of your Vauxhall online, book a service
- Access your Vauxhall OnStar Services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, latest news and current events
- Retailer locator – find your nearest Vauxhall retailer

If you already are a Vauxhall OnStar customer, you can access all the My Vauxhall services. Otherwise, you can register for My Vauxhall by following these easy steps:

1. When you order your car, your retailer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. My Vauxhall anytime anywhere!

To easily access My Vauxhall from your smartphone, just download the app from the Google Play Store or from Apple App Store.

STAY CONNECTED, WHEREVER YOU ROAM.

The new Mokka X is one of the best-connected, smartest SUVs in its category. With OnStar¹ onboard you have a powerful 4G Wi-Fi Hotspot² at all times, so you can make full use of your digital devices, anytime and anywhere. What's more, with IntelliLink as standard too, you can display features from your smartphone³ to the touchscreen on the fascia, keeping you informed and entertained on the road.

- 1. Smartphone projection.** R4.0 IntelliLink can access applications from your smartphone or tablet device, which can be projected to the touchscreen display. So you can do things like use Maps, or enjoy TuneIn and Spotify, either using the touchscreen or the voice control interface to control the apps.
- 2. The 7-inch multitasker.** The R4.0 IntelliLink also gives you hands-free phone calls and audio streaming through Bluetooth[®]. And it's compatible with Apple CarPlay and Google's Android Auto, so you can store and personalise all your favourite radio stations.
- 3. Top-of-the-range sat nav.** On top of all that R4.0 functionality, the optional 8-inch Navi 900 IntelliLink⁴ includes a fully-fledged navigation system with bird's eye view mode. You can choose destinations through the voice command mode, the touchscreen or select places from your favourites.

¹For details of Vauxhall OnStar, please see pages 16 to 19. ²Wi-Fi Hotspot service requires account with nominated network operator. Charges apply after the free trial period.

³Compatibility and certain functionalities may differ depending on type of device and version of operating system. ⁴Standard on Design Nav, Elite Nav and optional on Active models. CREATE A CHARACTER.

Alloy wheels are the boots and shoes that finish off the look of your new Mokka X. And each model comes with its own distinct set of stylish alloys.

1. **17-inch alloy wheels*** with 215/60 R 17 tyres (Active, Design Nav and Elite models).
2. **18-inch alloy wheels**** with 215/55 R 18 tyres (Active and Design Nav models).
3. **18-inch multi-spoke alloy wheels**** with 215/55 R 18 tyres (Elite models).
4. **18-inch diamond-cut bi-colour 10-spoke alloy wheels**** with 215/55 R 18 tyres (optional at extra cost on Elite models).
5. **19-inch 5-twin spoke alloy wheels**** with 225/45 R 19 tyres (optional at extra cost on Active, Design Nav and Elite models).

*ecoFLEX models only.

**Not available on ecoFLEX models.

Please note: An emergency tyre inflation kit is standard on all new Mokka X models in lieu of a spare wheel. An emergency steel spare wheel and tyre is available on all models as an extra-cost option. Fitting this spare wheel and tyre will reduce luggage capacity.

STYLING ACCESSORIES.

Treat your new Mokka X to a powerful look with our range of tailored styling accessories to enhance its sporty look.

Styling accessories* for new Mokka X include sleek roof spoilers, anti-slip side steps and skid plate inserts for front and rear.

- 1. Roof spoiler.** Sleek and aerodynamic, this spectacular addition cranks up the downforce and tightens your grip.
- 2. Anti-slip side steps.** Stand on these to get things on or off the roof. Looks-wise, they add muscle and kids like to use them to get in and out.
- 3. High but low.** Styling inserts highlight the skid plates.

*Available at extra cost.

BRING IT ON.

New Mokka X is made for all kinds of adventures – big and small, extraordinary and day-to-day – so we've put together some accessories to make life on the road easier.

1. **Hard cargo tray.** When you've lots of smaller items to load, this made-to-measure tray is a must. High-edged, flexible and washable, it has a non-skid surface to keep loads in one place, and to help keep the luggage area clean and tidy.
2. **Ski and snowboard carrier.** Perfect for snow sports fans – carry up to six pairs of skis or up to four snowboards using this tough, secure carrier which is tailored for new Mokka X.
3. **Cargo organiser.** This collapsible organiser stops things you're carrying from moving around when you're on the road, keeping everything in its right place.
4. **FlexConnect tablet holder.** Ideal device holder for passengers, so you can mount tablets up high to watch movies, or lower for reading and typing.
5. **FlexConnect folding table.** Whatever your cup of tea, coffee or juice, snap down this foldaway table and it'll hold your drink nice and steady, with plenty of room to write, read or have a bite to eat.
6. **DUO ISOFIX child seat.** For young families on the go, a child seat is essential. Ideal for little ones weighing 9-18kg, can be attached using the standard ISOFIX child seat restraint fittings.

Like the look of new Mokka X?

Then you'll love to drive it.

Here's five reasons why (there's plenty more, believe us):

- The confident control of this compact SUV's full-on 4X4 drive and serious road grip
- The safer, smarter drive you get with intelligent tech like LED Adaptive Forward Lighting and descent control
- The super-comfortable and spacious interior with advanced ergonomic design and widescreen views
- The entertainment of its 7-inch IntelliLink touchscreen with Bluetooth® streaming and loads more
- The useful connectivity of Vauxhall OnStar, with a 4G Wi-Fi hotspot and Automatic Crash Response

That's just five seriously great reasons. There's dozens more.

But don't just take our word for it.

Book yourself a test drive to see, feel and believe it for yourself.

FWD = Front-wheel drive.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

SMARTER DRIVING TIPS

- **Drive at an appropriate speed:** Staying within the speed limit increases driver safety, reduces CO₂ emissions and saves fuel. At 70mph you could be using up to 9% more fuel than at 60mph and up to 15% more fuel than at 50mph
- **Drive smoothly at all times:** Anticipate the ebb and flow of the traffic to avoid harsh acceleration and braking
- **Reduce your revs:** Change gear earlier to help reduce fuel consumption – try 2500rpm with petrol engines and 2000rpm with diesel
- **Idling is wasting fuel:** If you're likely to be at a standstill for more than three minutes, switch off the engine to save fuel
- **Regularly check your tyre pressures:** Under inflated tyres increase CO₂ emissions whilst incorrectly inflated tyres can be unsafe. Always check your handbook for the correct tyre pressure. This will also help to increase the life of your tyres
- **Remove unnecessary items from the car:** Extra weight increases the engine's workload, whilst roof racks and bike carriers increase wind resistance. All burn more fuel and increase CO₂ emissions

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants, congestion charges, parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.
