The original Mazda MX-5 was a pure roadster, inspired, as with the latest model, by the philosophy of Jinbai Ittai: 'horse and rider as one'. All-new Mazda MX-5 embodies all that this iconic roadster has become famous for over the past 25 years and more. The lightweight design, nimble response and sleek cabin make you feel as if the Mazda MX-5 is an extension of you. The outside body colour flows elegantly over the door, smoothing the edges between exterior and interior<sup>^</sup>. The premium leather steering wheel and short throw gear shift provide tactile luxury, while a flourish of aluminium detail sparkles on the air vents<sup>^</sup> and door handles.

An advanced infotainment and connectivity system<sup>^</sup> provides access to a range of features and applications, with minimal effort leaving you safe to enjoy the road ahead. Controlled via the 7" colour touch-screen display and the intuitive Multimedia Commander with separate volume dial, you can enjoy an advanced multimedia system featuring DAB radio, connect your mobile device to access thousands of internet radio stations and even keep up to date with Facebook and Twitter\*.

Main and small images show a Mazda MX-5 1.5 Sport Nav with optional Soul Red Metallic paint available at additional cost. <sup>^</sup> Excludes SE models.  
\*Connectivity functionality requires a compatible mobile device. Data usage and costs will vary, please contact your network provider for more information.

## PERFECT BALANCE

All-new Mazda MX-5 has perfect 50:50 weight distribution and a lower centre of gravity, making it one of the best handling in the world. It's also lighter than the previous generation, offering extra performance, fuel economy and reduced emissions.

## IMPROVING A MASTERPIECE

How do you improve the world's best-selling two-seater sports car? All-new Mazda MX-5 enhances the pure joy of driving with a superior power-to-weight ratio, outstanding dynamic agility, rear wheel drive, perfect 50:50 weight distribution and more comfort and technology than ever before. Signature KODO: Soul of Motion design gives all-new Mazda MX-5 a more aggressive and sculptured look, while retaining the classic roadster styling cues of a sleek hood, set back seating position and a short rear overhang. One look is enough to set your pulse racing.
