

Mazda 2

zoom-zoom

We explore cities and winding country roads.

Corners hugged and throttles revved.

Windows down, radio loud, no particular place to go.

Always forward, defying the wind.

I am the embodiment of Jinba Ittai.

You, the heart behind the wheel.

We were always meant to connect,

like a horse and rider,

car and driver as one.

Together, we are stronger.

We have a bond that words alone cannot describe.

We never drive alone.

We drive together.

Model shown is Mazda2 115ps GT Sport Nav+ with optional Soul Red Crystal Metallic paint, available at additional cost.

Model shown is Mazda2 90ps GT Sport Nav+ with optional Dynamic Blue Mica paint, available at additional cost.

AWAKEN THE DRIVER IN YOU

Responsive and fun to drive, a Mazda2 gives you the unique feeling of togetherness with the car we call Jinba Ittai. Its design bursts with energy, character and vitality, while the impressive performance of the next-generation SKYACTIV Technology, and the advanced in-car technology deliver a one of a kind driving experience. This is the Mazda way.

D E S I G N

GRAB THE WHEEL

From its looks to its performance, the Mazda2 was built to be enjoyed.

As a perfect expression of the award-winning KODO - Soul of Motion design, the Mazda2 has a solid stance, muscular lines and a look of forward momentum.

The mix of the human-centric designed interior and high-quality finishes is an expression of pure comfort. The craft of TAKUMI-NURI, Mazda's high-quality painting technology, gives the impression of a hand-painted concept car.

This enables exceptional vividness and depth to be achieved in the signature Soul Red Crystal Metallic and Machine Grey Metallic paint options. The attention to the tiniest detail in both design and craft deepens the bond between car and driver.

Model shown is Mazda2 90ps GT Sport Nav+ with optional Soul Red Crystal Metallic paint, available at additional cost.

A T R U E
D R I V I N G E X P E R I E N C E

The Mazda2 is the proof that small cars can be full of surprises too. From the first ride, its responsiveness and fun-to-drive feeling makes this car feel like an extension of your body. Its overall striking elegance forms a perfect combination with advanced technology and in-car connectivity, along with the impressive performance of a fuel-efficient engine.

It's easier than ever to feel one with the car and stay connected with the world at the same time. You can make every journey as interactive as possible with the Mazda2's impressive combination of information, connectivity and entertainment. The advanced infotainment and connectivity system - MZD Connect - provides easy access to a range of features and applications, via a Bluetooth®-connected smartphone. Access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with social media. Enjoy listening to your favourite radio stations via DAB radio or stream your choice of music from your smartphone, all safely and easily controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander.

*With compatible mobile device. Data usage and costs will vary.
Please refer to footnote underneath the Audio and Communication specification table.

MULTIMEDIA COMMANDER

The Multimedia Commander lets you control infotainment, navigation and more with one-touch rotary, push and tilt commands (not available on 75ps SE+ and 75ps SE-L+ models).

CLIMATE CONTROL AIR-CONDITIONING

Provides a comfortable driving environment with stylish satin chrome dial trim (not available on 75ps SE+ models).

MZD-CONNECT SYSTEM

A large 7" colour touchscreen display and an intuitive Multimedia Commander give you safe and easy fingertip access to all your music, phone calls, as well as reading and sending text messages via a compatible mobile phone device*. (Not available on 75ps SE+ and 75ps SE-L+ models)

ENGINE START / STOP BUTTON

Touch the Engine start / stop Button with your fingertip to start the engine and off you go.

S K Y A C T I V T E C H N O L O G Y

You need to get behind the wheel of a Mazda2 to feel the intelligently refined SKYACTIV Technology working flawlessly to deliver a smooth and memorable ride. Fantastic responsiveness, excellent torque and impressive power are balanced by low CO₂ emissions and excellent fuel economy.

SKYACTIV BODY AND CHASSIS Rigid and lightweight, perfectly balanced and finely tuned - it's the fun-to-drive formula for pure exhilaration.

Model shown is Mazda2 115ps GT Sport Nav+ with optional Machine Grey Metallic paint, available at additional cost.

NEW BENCHMARKS FOR PERFORMANCE

Choose from the SKYACTIV-G 75ps, 90ps or 115ps petrol engines, all of which deliver highly competitive fuel economy and low CO₂ emissions. All engines feature Mazda's innovative i-stop technology for superior fuel economy.

MORE POWER TO YOUR WHEELS

Supporting improved fuel economy, the six-speed SKYACTIV-Drive automatic transmission is lighter and more compact. It delivers smooth acceleration with a 'Sport' mode for greater torque availability and enhanced acceleration. The SKYACTIV-MT manual transmission is available with both five-speed and six-speed gear ratios, combining the crisp, quick shift feel of the legendary Mazda MX-5.

PRECISE AND COMFORTABLE HANDLING

The lightweight SKYACTIV-Chassis offers the perfect balance of agility and stability with exceptional handling and ride comfort. Coupled with steering which responds predictably to driver input, it delivers that 'fun to drive' element you have come to expect from Mazda.

WHEN BODY MEETS SOUL

Outstanding crash protection is possible thanks to the SKYACTIV-Body which utilises lightweight, high-tensile steel. The lightweight, ultra strong and highly rigid body also contributes to a more rewarding and responsive drive.

IT'S ALL ABOUT THE DRIVER

When everything from design to advanced technology is built around the driver, you can truly feel in perfect harmony with your car. Getting the best of what the Mazda2 has to offer is now easier, thanks to an array of intelligent technologies constantly working for you in the background to ensure the safest driving experience possible. The brilliantly designed i-ACTIVSENSE safety system increases predictability and the level of control, so you can confidently focus on the pleasure of driving.

Model shown is Mazda2 90ps GT Sport Nav+ with optional Soul Red Crystal Metallic paint, available at additional cost.

A D V A N C E D S A F E T Y T E C H N O L O G Y

Driving with confidence in any environment is key when offering drivers the ultimate joy of driving. This is why we developed the advanced i-ACTIVSENSE safety technologies, which features sensors and signals constantly working together to increase awareness of your surroundings. A wide array of technologies help you detect and avoid dangers, giving you extra reaction time and peace of mind so you can confidently enjoy driving anywhere you go. The i-ACTIVSENSE features include the Lane Departure Warning System to make sure you always stay in the correct lane and Smart City Brake Support for stress free driving on busy city streets.

LANE DEPARTURE WARNING SYSTEM

Detects the line markings on the road surface and instantly warns you in case of unintentional lane departure. A front-view camera calculates the car's position relative to the lane markings. Whenever the system detects that the car is about to move out of lane while the indicator is not switched on, it emits an audible warning sound to alert the driver. (Not available on 75ps SE+ and 75ps SE-L+ models)

SMART CITY BRAKE SUPPORT

Designed to make busy city traffic more relaxing for the driver, Mazda's Smart City Brake Support (SCBS) helps to avoid or minimise the risk of low-speed collisions, the most common type of city traffic accidents. The laser-based system monitors the gap and closing speed of the vehicle in front, as well as other detectable objects, automatically applying the brakes if a collision is likely at speeds of approximately 20mph. (Not available on 75ps SE+ and 75ps SE-L+ models)

C H O I C E S

S E +

STANDARD FEATURES:

- 15" Alloy wheels
- Heated, auto power-folding door mirrors with electrical adjustment and integrated indicator lights
- Engine start / stop button
- Halogen headlights with daytime running lights
- Coming home / leaving home lights
- Trip computer
- Black cloth seat trim with grey inserts
- 60:40 split rear seats
- Telescopic and tilt adjustable steering wheel
- Height adjustable drivers seat
- Front and rear electric windows
- Remote central locking
- Manual air-conditioning
- AM / FM radio and Single CD player with 4 speakers
- USB & AUX input
- Steering wheel mounted audio controls
- Hill Hold Assist
- Tyre Pressure Monitoring System
- Thatcham accredited Alarm and Immobiliser

OPTIONS:

- Metallic / Mica / Pearlescent paint

MANUAL AIR-CONDITIONING

Allows you to easily adjust the temperature of the interior to your desired setting.

HEATED AUTO POWER-FOLDING DOOR MIRRORS

A key feature for parking in crowded city streets, automatically folds and unfolds your mirrors when you lock or unlock your car.

REMOTE CENTRAL LOCKING

Key fob provides remote central locking with deadlocks for security, as well as keyless engine start / stop.

15" ALLOY WHEELS

Dynamic and stylish wheels give your vehicle a sense of sportiness, power and stability.

SE-L+ / SE-L NAV+

IN ADDITION TO 75PS SE+ GRADE,
75PS SE-L+ ADDS:

- Dusk-sensing lights
- Rain-sensing front wipers
- Rear parking sensors
- LED front fog lights
- Leather steering wheel and gear knob
- Cruise Control
- Adjustable speed limiter
- Climate control air-conditioning
- Integrated Bluetooth®

IN ADDITION TO 75PS SE-L+ GRADE,
90PS SE-L NAV+ ADDS:

- 7" Colour touch-screen display
- Internet app integration for internet radio, Facebook and Twitter*
- DAB Radio
- Integrated Navigation System with 3-years free European map updates
- Multimedia Commander
- Lane Departure Warning System
- Smart City Brake Support

OPTIONS:

- Metallic / Mica / Pearlescent paint

*With compatible mobile device. Data usage and costs will vary. Please refer to the footnote on the Audio and Communication specification table for more information.

CLIMATE CONTROL AIR-CONDITIONING

Provides a comfortable driving environment with stylish satin chrome dial trim.

REAR PARKING SENSORS

Detects obstructions around the vehicle when manoeuvring or parking, by sounding an audible warning.

LED FRONT FOG LIGHTS

Increases visibility when driving in adverse weather conditions and enhances the sleek styling of the car.

MULTIMEDIA COMMANDER

Located between driver and front passenger, the Multimedia Commander allows you to operate the infotainment and connectivity system with minimal effort, ensuring you can concentrate on enjoying the drive. (Not available on 75ps SE-L+ models)

SPORT NAV+

STANDARD FEATURES IN ADDITION TO 90PS SE-L NAV+ GRADE:

- 16" Gunmetal Alloy wheels
- Privacy glass
- Shark fin antenna
- Chrome exhaust trim
- Brilliant Black rear roof spoiler
- Black sports cloth trim
- Smart keyless entry system
- Additional USB
- Additional 2 speakers
- Paddle shift (automatic transmission only)

OPTIONS:

- Metallic / Mica / Pearlescent paint

BLACK SPORTS CLOTH TRIM

Adds a distinctive touch to the interior, giving it a dynamic yet elegant look.

16" GUNMETAL ALLOY WHEELS

Dynamic and stylish wheels give your vehicle a sense of power and stability.

7" COLOUR TOUCH-SCREEN DISPLAY

Easy to use, the 7" colour touchscreen display puts entertainment at your fingertips, displaying a range of useful information, including access to internet applications.

SHARK FIN ANTENNA

The shark fin antenna cuts down on drag while keeping audio crisp and clear.

GT SPORT NAV+

STANDARD FEATURES IN ADDITION TO 90PS SPORT NAV+:

- 16" Silver Alloy wheels
- LED headlights
- LED daytime running lights
- Black Leather seats with suede inserts
- Heated front seats
- Colour Active Driving Display
- Reversing camera

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Light Stone leather interior with black inserts

BLACK LEATHER SEATS WITH SUEDE INSERTS

Adds to the premium feel inside Mazda2 GT Sport Nav+ interior, making it a comfortable environment for the occupants

LED HEADLIGHTS

Sharply angled, they create a striking appearance and provide piercing light even on the darkest of roads.

COLOUR ACTIVE DRIVING DISPLAY

Provides essential driving information, including speed and turn-by-turn navigation via the colour head-up display which is perfectly positioned in the drivers line of sight.

REVERSING CAMERA

Helps guide you when reversing into a parking space. Parking has never been easier.

⁵⁾ Requires a compatible mobile device. Aha™/Stitcher™ apps need to be downloaded to mobile device and app registration completed before connection. Data usage and costs will vary, please contact your network for more information. Please speak to your dealers or visit www.mazda.co.uk/mzd-connect for more information.

OUR COMMITMENT TO YOU AND YOUR MAZDA

MY MAZDA APP

Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that could help you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.

At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

MAZDA CONTRACT HIRE

Mazda Financial Services Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive costs for businesses and individuals. To find out more about the benefits of Mazda Financial Services Contract Hire, please speak to your Mazda dealer or visit www.mazda.co.uk.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website.

It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda - the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.

SKYACTIV TECHNOLOGY - HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.
