INTRODUCING ALL-NEW MAZDA2

UNLOCK EXTRA CONTENT

Throughout this brochure, you can hold your smartphone or tablet over the QR codes using a QR code reader app to download and unlock extra content including images, videos and other information. Scan the above QR code to access the Mazda Community. Here you will discover videos, images and additional content related to the Mazda Rebels, like-minded individuals who represent Mazda's vision of defying convention.

The challenger spirit runs deep at Mazda. We are not afraid to take risks and to challenge conventional wisdom to make things better. We do this to fulfil one simple goal: create cars that are fun to drive. If you've driven a Mazda you already know. If not, get ready for the experience.

AWARD-WINNING DESIGN

Embodying Mazda's powerful award-winning KODO: Soul of Motion inspired design, the distinctive character lines and sculpted edges of all-new Mazda2 convey energy and dynamism. While the signature chrome-lined front grille and the piercing low-slung headlights promise to turn heads.

Model shown is all-new Mazda2 115ps Sport Nav with optional Soul Red Metallic paint available at additional cost.

MAZDA HAZUMI: TRANSFORMED INTO REALITY

Bringing to life our stunning *Hazumi* concept car, all-new Mazda2 challenges preconceptions of the importance of size. Its solid stance and compact design provides an athletic appearance, while beneath the surface a full array of SKYACTIV Technology delivers responsive performance, outstanding fuel economy and low CO₂ emissions. All-new Mazda2 captures the essence of Mazda Hazumi and transforms it into reality.

Main image shown is all-new Mazda2 115ps Sport Nav with optional Soul Red Metallic paint available at additional cost.

A PLACE OF COMFORT AND CONTROL

Designed around the driver, to offer exceptional levels of comfort and control, the interior of all-new Mazda2 provides a clean and spacious layout. From satin-chrome detailing on the climate control air-conditioning dials to the sculpted soft-touch dashboard panels with detailed stitching on Sport models, the interior exudes premium quality, setting new standards in interior design.

Main image shown is all-new Mazda2 115ps Sport Nav with optional Light Stone leather trim and optional Safety Pack. Both available at additional cost. 9

CONNECTIVITY AT YOUR COMMAND

Experience the perfect combination of information, connectivity and entertainment in all-new Mazda2. Available on selected models is MZD-Connect, an advanced infotainment and connectivity system providing access to a range of features and applications. Connectivity is key in all-new Mazda2 and via a compatible mobile device you can access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with Facebook and Twitter*. Enjoy listening to your favourite radio stations via DAB radio or stream your choice of music via a Bluetooth® connection. All safely and easily controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander, leaving you to concentrate on enjoying the drive.

The MZD-Connect system is divided into five sections as displayed on the home screen (Not available on 75ps SE and 75ps SE-L models).

COMMUNICATION

- Easily and safely make and receive phone calls via the integrated Bluetooth® functionality*
- Receive texts and reply with programmable pre-defined responses*
- Access previous call history or contact information*

NAVIGATION (Standard on SE-L Nav and Sport Nav models)

- Choice of routes – fastest, shortest, most economical, and easiest
- Choose between 2D or 3D map view
- 3-years free European map updates
- Point of interest search

ENTERTAINMENT

- AM / FM / DAB radio, CD / MP3, USB, AUX, Bluetooth® audio transfer
- Listen to a connected device, such as an iPod® or USB storage device
- Aha™ and Stitcher™ apps for internet radio, Facebook and Twitter*

APPLICATIONS

- Fuel Economy Monitoring including i-stop status
- View service and maintenance information
- View vehicle warnings

SETTINGS

- Easily adjust audio, vehicle and other settings
- Adjust the Active Driving Display (Part of optional Safety Pack available on 1.15ps Sport Nav models, available at additional cost)

INTELLIGENCE AT YOUR FINGERTIPS

Positioned high on the centre of the dashboard, closer to the driver's natural line of sight, is the 7" colour touch-screen display. This screen puts information and entertainment at your fingertips and displays a range of useful information, including access to internet applications* and the eco-driving display screen.

CRAFTSMANSHIP FOR THE DIGITAL AGE

Every feature inside all-new Mazda2 reflects the attention to detail our designers and engineers craft into every Mazda. An array of cleverly designed technologies – including the Active Driving Display, Multimedia Commander and integrated satellite navigation system* are available to enhance your driving experience, wherever you decide to go and whatever the traffic conditions.

KEEPING YOU IN CONTROL

Resembling the cockpit of an aeroplane, the surprisingly spacious and minimalist interior layout of all-new Mazda2 delivers an ergonomic and driver-focussed experience. Settle into the driver's seat and see how the cockpit wraps around you, bringing all controls and dials within easy reach, and displaying essential driving information in the stylish new instrument panel. Combining driving comfort and innovative technologies, all-new Mazda2 has been designed to improve every journey and provide an enjoyable driving experience like never before.

ACTIVE DRIVING DISPLAY

The Active Driving Display provides essential driving information including speed, turn-by-turn navigation and emergency warnings via a head-up display. Positioned at eye level, meaning you can focus on the road ahead whilst being kept updated on important vehicle information (Part of the optional Safety Pack available on 115ps Sport Nav models at additional cost). Image shown not to UK specification.

SATELLITE NAVIGATION

Plan your journey quickly and easily with the integrated satellite navigation system. Select your choice of routes from fastest, shortest and most economical and stay up-to-date with 3-years free European map updates (Standard on SE-L Nav and Sport Nav models).

MULTIMEDIA COMMANDER

Located between the driver and front passenger, the Multimedia Commander allows you to operate the infotainment and connectivity system with minimal effort, ensuring you can concentrate on enjoying the drive (Not available on 75ps SE and 75ps SE-L models).

*Active Driving Display is part of the optional Safety Pack available at additional cost on 115ps Sport Nav models. Multimedia Commander is not available on 75ps SE and 75ps SE-L models. Satellite navigation is standard on SE-L Nav and Sport Nav models.

SKYACTIV TECHNOLOGY

CREATED TO EXCITE

Mazda's ground-breaking and award-winning SKYACTIV Technology has redefined the efficiency, power and performance of our cars. All-new Mazda2 is no exception, combining the perfect balance of driving enjoyment and efficiency, which continues to prove how we create cars that defy convention.

SKYACTIV TRANSMISSIONS

Lightweight and compact the SKYACTIV-MT manual and SKYACTIV-Drive automatic transmissions deliver smooth, crisp and direct gear shifts which contribute to improved fuel economy.

SKYACTIV ENGINES

Deliver responsive and dynamic performance, as well as lower emissions and outstanding fuel efficiency.

SKYACTIV BODY AND CHASSIS

Rigid and lightweight to offer the protection you need, combining a comfortable and sporty driving experience.

COMPACT AND CLEVER

All-new Mazda2 embodies Mazda's legendary 'fun to drive' DNA. Featuring the complete range of award-winning SKYACTIV Technologies, it delivers performance and efficiency combined, for a responsive, agile, sporty driving experience.

SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about fuel economy, low emissions and making driving more fun. Embracing all the technologies – engines, transmissions, chassis and body – it's an approach that completely reimagines the car from the ground up. Coupled with innovative technologies such as Mazda's i-stop, SKYACTIV Technology delivers a mix of driving pleasure, balanced with outstanding environmental and safety performance.

NEW BENCHMARKS FOR PERFORMANCE

Choose from the SKYACTIV-G 75ps, 90ps and 115ps petrol engines, all of which deliver highly competitive fuel economy and low CO₂ emissions. Alternatively there is the 105ps SKYACTIV-D diesel engine with a ultra-compact single turbocharger for greater efficiency and reduced weight. All engines feature Mazda's innovative i-stop technology for superior fuel economy.

MORE POWER TO YOUR WHEELS

Supporting improved fuel economy, the six-speed SKYACTIV-Drive automatic transmission is lighter and more compact. It delivers smooth acceleration with a 'Sport' mode for greater torque availability and enhanced acceleration. The SKYACTIV-MT manual transmission is available with five or six-speed and combines the crisp, quick shift feel of the legendary Mazda MX-5, as well contributing to improved fuel economy.

PRECISE AND COMFORTABLE HANDLING

The lightweight SKYACTIV-CHASSIS offers the perfect balance of agility and stability with exceptional handling and ride comfort. Coupled with steering which responds predictably to driver input, it delivers that 'fun to drive' element you have come to expect from Mazda.

WHEN BODY MEETS SOUL

Outstanding crash protection is possible thanks to the SKYACTIV-BODY which utilises lightweight high-tensile steels. The lightweight, ultra-strong and highly rigid body also contributes to improved fuel economy and a more rewarding and responsive drive.

THE SAFEST PLACE ON THE ROAD

All-new Mazda2 contains an array of intelligent safety technologies that are designed to help you relax and enjoy the drive. It delivers on the 'fun to drive' without compromising your safety.

ADVANCED SAFETY TECHNOLOGY

Engineered from the ground up to provide comprehensive all-round protection for you and your passengers, the active and passive safety systems in all-new Mazda2 work together to warn you of impending dangers and help to avoid or reduce the severity of a collision. **Smart City Brake Support*** is one of these technologies designed to avoid or minimise the effects of low-speed collisions. The laser-based system continually monitors the gap and closing speed of the vehicle in front, automatically applying the brakes if a collision is likely at speeds up to approximately 20mph. Inside, all-new Mazda2 is fitted with six airbags as standard and ISOFIX child seat anchor points on the outer rear seats for that extra peace of mind.

BLIND SPOT MONITORING SYSTEM

BSM warns you of a vehicle entering a detection zone up to 50 metres behind, by activating a door mirror-mounted warning light on the relevant side of the vehicle. If you then indicate prior to turning in that direction, the warning light flashes and an audible alert sounds. Working at speeds as low as 20mph, this system can prevent drivers from moving into the path of a following vehicle (Part of the optional Safety Pack available on 115ps Sport Nav models, available at additional cost).

REAR CROSS TRAFFIC ALERT

Specifically designed for when you are reversing, the system alerts you of any vehicles or obstacles approaching from either side of the rear of the car. A warning light begins flashing in the door mirror and an audible alert sounds. The alarm stops once the area is clear, allowing you to continue reversing safely (Part of the optional Safety Pack available on 115ps Sport Nav models, available at additional cost).

LANE DEPARTURE WARNING SYSTEM

Designed to warn the driver if the vehicle inadvertently strays from its lane. A front-view camera monitors the road ahead and calculates the car's position relative to the lane markings. Should the system detect that the car is about to unintentionally move out of lane, it emits an audible warning sound to alert the driver (Not available on 75ps SE and 75ps SE-L models).

HIGH BEAM CONTROL

Automatically switches between high and low beams according to traffic conditions. The system detects the headlights of oncoming vehicles or rear lights of those travelling ahead and switches to low beam so as not to blind other drivers, then switches back to high beam once the road is clear (Part of the optional Safety Pack available on 115ps Sport Nav models, available at additional cost).

Model shown is all-new Mazda2 115ps Sport Nav with optional Soul Red Metallic paint and optional Safety Pack, both available at additional cost. *Smart City Brake Support is not available on 75ps SE and 75ps SE-L models.

ALL-NEW MAZDA2

SE

STANDARD FEATURES:

- 15" Steel wheels
- Rear roof spoiler
- Electrically-adjustable door mirrors with integrated indicator lights
- Halogen headlights and daytime running lights
- Coming home / leaving home lights
- Front electric windows
- Black cloth seat trim
- Steering wheel-mounted audio controls
- Engine start / stop button
- AM / FM Radio with single CD player and 4 speakers
- Manual air-conditioning
- Trip computer
- Anti-lock Braking System with Electronic Brake-force Distribution and Emergency Brake Assist
- Dynamic Stability Control and Traction Control System
- Tyre Pressure Monitoring System
- Hill Hold Assist
- Dual front, side and curtain airbags

OPTIONS:

- Metallic / Mica / Pearlescent paint

ENGINE START / STOP BUTTON

Allows you to conveniently start or stop the engine without having to insert the key.

TRIP COMPUTER

Displays vehicle related information as you drive, including fuel consumption and mileage.

REMOTE CENTRAL LOCKING

Featuring remote central locking with deadlocks for security.

MANUAL AIR-CONDITIONING

Allows you to easily adjust the temperature of the interior.

ALL-NEW MAZDA2

SE-L / SE-L Nav

IN ADDITION TO 75PS SE GRADE:

- 15" Alloy wheels
- Front fog lights
- Heated, power-folding door mirrors
- Rear electric windows
- Cruise control
- Adjustable speed limiter
- Integrated Bluetooth*
- Leather-wrapped steering wheel and gear knob
- 60:40 split folding rear seats

OPTIONS:

- Metallic / Mica / Pearlescent paint

IN ADDITION TO SE-L 90PS SE-L / 105PS SE-L DIESEL ADDS:

- 7" Colour touch-screen display
- Internet app integration for internet radio, Facebook and Twitter*
- DAB radio
- Multimedia Commander
- Smart City Brake Support
- Lane Departure Warning System

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Integrated navigation system with 3-years free European map updates

15" ALLOY WHEELS

Dynamic and stylish alloy wheels help to give your car a sense of power and stability whilst also looking great.

CRUISE CONTROL

Lets you maintain a set driving speed and can easily be disengaged when not in use.

FRONT FOG LIGHTS

Increase visibility when driving in adverse weather conditions and enhance the sleek styling of the car.

MULTIMEDIA COMMANDER

Provides access to the advanced connectivity and infotainment system while you remain focused on the road ahead (Not available on 75ps SE-L models).

*With compatible mobile device. Data usage and costs will vary. Please refer to the footnote on Page 34 for more information. Model shown is all-new Mazda2 90ps SE-L Nav with optional Dynamic Blue Mica paint available at additional cost. Interior image shows all-new Mazda2 90ps SE-L.

ALL-NEW MAZDA2

Sport / Sport Nav

IN ADDITION TO 90PS SE-L / 105PS SE-L DIESEL GRADE:

- 16" Alloy wheels
- Privacy glass
- Dusk-sensing headlights
- Rain-sensing front wipers
- Climate control air-conditioning
- Black cloth sports trim
- Smart keyless entry system
- Rear parking sensors

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Integrated navigation system with 3-years free European map updates
- Light Stone leather interior including heated front seats (90ps (Manual) Sport / Sport Nav models only)

IN ADDITION 115PS SPORT NAV ADDS:

- LED headlights
- LED daytime running lights
- Integrated navigation system with 3-years free European map updates

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Light Stone leather interior including heated front seats
- Safety Pack including Blind Spot Monitoring with Rear Cross Traffic Alert, Active Driving Display, High Beam Control)

16" ALLOY WHEELS

Larger alloy wheels enhance the stylish and sporty look of your car, ensuring you stand out from the crowd.

CLIMATE CONTROL AIR-CONDITIONING

Provides a comfortable driving environment with stylish satin chrome dial trim.

LED HEADLIGHTS

Striking LED headlights enhance the stylish looks as well as improving visibility (115ps Sport Nav models only).

BLACK CLOTH SPORTS TRIM

Black sports cloth with red stitching adds to sporty interior.

Model shown is all-new Mazda2 115ps Sport Nav with optional Soul Red Metallic paint available at additional cost.

MY MAZDA APP

Hold your smartphone or tablet over the QR code to download the My Mazda app. Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

MAZDA CONTRACT HIRE*

Mazda Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive ownership costs for businesses and individuals. To find out more about the benefits of Mazda Contract Hire, please speak to your Mazda dealer or phone 0844 600 1410.

Mazda Contract Hire is provided by ALD Automotive Limited, trading as Mazda Contract Hire, Oakwood park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. Guarantees / Indemnities may be required. ALD Automotive Limited is incorporated in the UK and regulated by the Financial Services Authority in respect of general insurance products.

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that helps you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.

At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

For further information, please visit

<http://www.mazda.co.uk/buying-owning/buying/personal-finance/>

Finance subject to status. Terms and conditions apply. You will not own the vehicle until all payments are made. 18s and over. Guarantee may be required. Mazda Financial Services RH1 1SR.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda – the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. Or why not join the Mazda Community Hub? Here you will discover the Mazda Rebels, like-minded individuals who represent Mazda's ethos of defying convention. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.
