

MOVANO Welfare Vehicle – Recognised Conversion

National Small Series Type Approval e11-NKS-1386-00 and e11-NKS-1387-00

The Vauxhall Movano Welfare Vehicle from Clarks Vehicle Conversions offers the perfect conversion to take care of a transient workforce. Providing canteen seating for up to four people at a time the conversion not only offers separate heating, hand wash and eating facilities but the ability to provide a hot water boiler for tea or coffee and a built-in microwave for the preparation of hot food and snacks. A separate toilet facility complete with hand wash basin can also be ordered as an option.

More importantly the conversion fully meets the very latest, stringent whole vehicle type approval regulations and features a robust interior, fully lined in a light grey phenol-laminated ply to provide a durable quality finish. A number of tailored options are also available such as racking, shelving, lining kits and ladder racks.
