

The all-new Sportage.

Movement that inspires

Be inspired by movement. Introducing the new Kia brand.

Inspiration doesn't happen by chance. It comes to us when we get out of our comfort zone and enter new surroundings. When we see the world with fresh eyes and from new perspectives. We find it when we move. Kia is here to guide you through the inspirational power of movement, so you reach your creative potential. That's why everything we create gives you the space to be inspired and the time to bring your ideas to life. So, join us on this exciting journey and discover with Kia how movement inspires.

Advanced design
for inspired minds.

If passion for the beauty of nature brings you joy, then the all-new Sportage is your reliable place and space to be. From the very first glance, you'll see that it has been sculpted as a free-flowing bold and sophisticated organic form. Look closer and you will immediately appreciate how its beautifully shaped body creates such a strong presence on the road. From the clean, powerful contours rippling along the side, highlighted by its new chrome and glossy black window surround mouldings, to the swooping muscular fastback design. Accentuated by the dynamic rear spoiler, with razor-style signature LED taillights and sporty rear bumper, this is an urban SUV that connects you with your natural sense of adventure.

Refined space that sets new standards.

Sit inside the all-new Sportage GT-line and immerse yourself in an interior that delivers an outstanding experience in comfort, quality, design and cutting-edge technology. Creating a driver-centric experience designed around you and your passengers. Sitting at the centre of the sporty cockpit is a beautifully sculpted curved display, integrating a 12.3" driver instrument cluster and 12.3" high-tech multimedia touchscreen plus multimode display. In front of you is the GT-line embossed leather D-cut steering wheel. Above you is a sleek black roof liner and to the side of you, door panels with a touch of suede. Throughout the spacious cabin with its ambient lighting, there's fully automatic triple-zone climate control for front and rear passengers including driver only* AC mode control, as well. Wherever you look you'll discover the finest materials, from the dashboard to the seating, to add that extra style. This is, indeed, the very best in refined luxury for you and everyone to enjoy.

Dynamic seating design with GT-line embossing. Sit back and enjoy premium black leather-effect seating with suede bolsters and stunning integrated white stitching and piping, finished off with the distinctive embossed GT-line emblem.

Eye-catching interior garnish. Inside the Sportage and Sportage GT-line you'll find a sleek patterned matt chrome design on the dashboard, as well as on the interior door panels and door handles, for that contemporary touch of style.

Dedicated styling
that makes a statement.

Style, technology, efficiency, connectivity - for you and for your future. Whatever your needs, you'll find it in the all-new Sportage Mild Hybrid, including Kia's Idle Stop-and-Go technology. By cleverly pairing the latest 1.6-litre turbo petrol engine and 1.6-litre clean diesel engine with a 48-volt lithium-ion battery, it can reduce fuel consumption and vehicle emissions levels. Add to that, the integrated 'e-system' recovers kinetic energy during deceleration phases to provide torque assistance when accelerating.

What's more, its advanced technology is more than matched by its stunning design. From the sweeping bonnet, detailed black grille front, iconic boomerang-shaped LED daylight running lights and LED foglamps, plus dramatic matrix headlights (K4 & GT-line trims only). Along its dynamic organic silhouette with precise and striking side contours, to the fastback rear with bold rear spoiler and razor-style signature LED taillights, the Sportage really is a choice that drives you and yours forward.

Where the centre of attention is you.

At Kia, we believe what's inside us inspires us to better things. That's exactly what you'll find inside the spacious all-new Sportage where the cabin has been carefully crafted to fuse breakthrough technology with innovative features, premium materials and modern style. At the centre of your state-of-the-art interior space sits a sweeping sculpted integrated curved display with 12.3" driver instrument cluster (K4 & GT-line only) and multimedia 12.3" touchscreen, offering a whole range of connected services. Everywhere you look, you can see and touch the best luxury materials and fabrics. From the ergonomic seats offering abundant legroom front and back, to fully automatic three-zone climate control. The Sportage is a true driving experience for you and whoever is with you.

Heated and ventilated seats. Whatever the weather has in store, you're ready for it. The front and rear seats can be heated on cold days. Featuring two adjustable settings, they warm up quickly and then level off after the desired temperature is reached. On hot summer days the front seats can be ventilated (K4 & GT-line only) to keep you cool.

Coat hanger. The Sportage front seat headrests feature a clever hanger feature to store your, or your passengers', coats or garments, to ensure you always arrive in style.

Smart thinking makes all the difference.

Inside the all-new Kia Sportage, you'll find that all-in flexibility and convenience is key to what makes it such an inspiring space for you and everyone around you. There are split rear seating options for ease of loading and clever storage solutions, too. Add to that a smart power tailgate for when you've got your hands full (GT-line only). Kia smart thinking delivers innovative solutions for every eventuality.

40:20:40 flat folding seats. Thanks to clever split rear seat options, the all-new Sportage easily adapts and flexes to whatever task you have ahead of you - great for transporting sports equipment or other bulky items.

Connected technology to stay ahead.

At Kia we know connections count. Not just your connections with people. Connection with experiences. Connection with your ideas, and favourite places or destinations. Connections that inform and entertain you. Connections that keep you up to date and safe. That's why inside the all-new Kia Sportage, you'll find the very latest in seamless and effortless technology, to keep you constantly connected with everything and everyone around you when you're on the move.

Ambient mood light. When creating the interior of the all-new Kia Sportage, we wanted to create a space that felt like home. That's why we've added a special ambient mood lighting system that you can customise to suit your mood when driving. Not only can you choose from a range of colours to suit your journey, but you can choose to automatically change the colour when you change drive modes, too (K4 HEV only).

Panoramic dual 12.3" curved display. At the heart of the all-new Sportage cockpit sits a dual display touchscreen which is the focal point for all your driving, information, connection and entertainment needs. Take navigation to the next level with turn-by-turn navigation. Keep constantly up to date with the latest over-the-air software and map updates. As well as navigation, you can install the Kia Connect app on your smartphone to interact with your Sportage. That way you can access Kia Connect on-board services which offer a whole host of features, from monitoring up-to-the-minute vehicle diagnostics like fuel level to trip information, to online voice recognition and calendar integration from your smartphone.

Rear USB fast-charge ports. Keep your rear passengers happy with a Type-C USB fast-charge port which is cleverly mounted on the rear panel of the driver and front passenger seat. Perfect for work, play or simply charging.

Multimode control display. Control at your fingertips. An innovative way to make the interior less cluttered and more intuitive. Easily switch between infotainment and climate control with a simple touch.

Wireless smartphone charger. When you're on the move and want to keep connected, keeping your phone fully charged should be the last thing you need to worry about. That's why the Kia Sportage comes with a smartphone wireless charging bay offering high-speed 15 W wireless charging. Just place your smartphone with Qi technology on the convenient wireless phone charger and you are always ready (K4 & GT-line only).

Stay connected. Get inspired.

At Kia, we believe connections can inspire endless opportunities. Opportunities that inspire you to bring great ideas to life. In the car, on the phone, wherever you are and whatever you're looking for. Which is exactly what you'll find with the Kia Connect app and Kia Connect on-board services, designed to constantly monitor your car and offer seamless information about your journey. Be constantly informed on board with online navigation using real-time traffic data, including, parking, weather and points of interest, plus voice recognition and more. Through the Kia Connect app, you can access User Profile Transfer, Last-Mile Navigation, Valet Parking, Find My Car, Door Control and many other features. With so much at your fingertips, there's never been a better time to make every drive... a truly inspiring drive.

Connect to convenience. Even when you're not in your car, using the interactive Kia Connect app on your smartphone is the easy and convenient way to save time and keep you connected. Tap the Find My Car function to search for your car in large car parks or on unfamiliar streets. Once you've parked, let Last-Mile Navigation take you by the hand and guide you from your car to your end destination. If someone else is driving your car, the Valet Parking function monitors all that for you. Plan and set your journey in advance with Send To Car and check your vehicle status before you go. You can even see your previous journeys summarised under My Trips.

Always on the go. With Kia Connect on-board services, you have access to a whole host of seamless and detailed information for your trip. Navigate the fastest route to any destination with real-time traffic data, including constantly updated adjustments and estimated arrival time. Use Kia Connect live services to track the weather and check parking availability, points of interest and charging stations. Activate voice recognition for hands-free voice commands. Change or restore your vehicle settings with user profile transfer. Access your smartphone calendar on your navigation screen with the third-party calendar and let it guide you straight to the location of your upcoming appointments.

Safety and service support. With Kia Connect, you can keep you and your car safe and sound using a range of ground-breaking remote notifications. Vehicle status offers a comprehensive report on your car including whether windows are open or closed and other vital diagnostic information. Kia Connect also sends you important alarm alerts. The anti-theft alarm alerts you to potential break-ins. The vehicle idle alarm notifies you if you forget the engine is running while in Park mode (gear P) with the door open.

* Information and control service for your Kia; the services will be available free of charge for a period of seven years commencing on the day the vehicle is sold to the first owner of the vehicle, i.e. the point in time the initial purchase agreement becomes effective, and may be subject to change during that period. Details of operation and terms of use can be obtained from your Kia partner and on kia.com. Smartphone with iOS or Android operating system and mobile phone contract with data option necessary incurring additional cost.

The displayed Kia Connect screens are for illustration purposes only and do not necessarily show the latest version of the Kia Connect app and Kia Connect on-board services. For any questions regarding regulations or legal details, please check the Kia Connect Terms of Use.

Stay informed. Start exploring.

If living life is embracing exciting things round the next corner or adventures over the next horizon, then at Kia we're with you. From your daily commute to weekend adventures or simply just taking off somewhere, Kia Live Services make driving smarter and safer. Take advantage of reliable and accurate route guidance to identify the fastest route for each journey using real-time traffic information. Keep in touch with all that's going on, using Live Traffic, Local Search and Weather. In fact, wherever your life wants to take you, with Kia Live Services you're ready*.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone while minimising distractions, so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organises info into simple cards that appear just when they're needed.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your car display, so you can get directions, make a call and listen to music, all while staying focused on the road.

Parking information and fuel info. To help you park your car swiftly, the system will indicate parking areas before you arrive at your destination. It will show potential on-street parking spaces based on historic data, and off-street parking with colour-coded availability. When you're running low on fuel, the system will show you the nearest petrol stations and prices, so you can plan your refuelling stops accordingly.

Live traffic.** The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

Local Search and weather forecast. If you're looking for a sushi restaurant, a supermarket, or a particular place to meet, simply select Local Search. Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

* Smartphone with data plan required to activate services.

** Legal restrictions to these services may apply depending on country usage.

Innovation through vision.

When inspiration comes calling, the all-new Sportage is never found wanting. That's because we've created a dynamic, engaging and optimal driving experience, debuting numerous highly innovative technology breakthroughs.

Intelligent front lighting system. Creating a clear and distinct difference in driving vision technology. When using the matrix LED headlamps on high beam, if the intelligent front lighting system detects another car driving in either the same direction as you or the opposite direction to you, it will automatically switch the LEDs to low beam to prevent dazzling the other driver. Then when the road is clear it will automatically switch back again (K4 & GT-line only).

Rotary gear shift dial. Located centrally and within easy reach, the rotary dial operates using shift-by-wire technology, enabling effortless gear shifting. Just as importantly from a safety perspective, it will automatically shift to the parking gear P if the driver forgets to do so (HEV models only).

12.3" instrument cluster with widescreen display. Equipped with the latest thin-film transistor liquid-crystal display for incredibly precise and clear graphics. Depending on the powertrain being used, the all-new Sportage offers a range of drive modes ranging from Eco to Sport modes. Once chosen, the different drive mode is displayed on the driver instrument panel.

DriveWise technology for all-round safety.

Keeping you, your passengers and loved ones protected, constantly inspired us to put safety as a top priority in the development of the all-new Sportage. That's why every Sportage comes with Kia's acclaimed in-house developed DriveWise technology. This industry-leading system integrates a whole host of advanced features to minimise the possibility of accidents and maximise all-round protection.

Extra DriveWise options to choose from. Kia DriveWise and DriveWise Park are available on all Sportage models as standard. In addition, you can add two extra options: DriveWise Plus, offering advanced driving-assistance features, and DriveWise Park Plus, with advanced parking-assistance features.

Highway Driving Assist (HDA). Highway Driving Assist is designed for effortless driving on motorways. It automatically maintains the Sportage distance to another vehicle in front as well as keeping it centred in its current lane on the highway. At the same time, it controls steering, acceleration and deceleration whilst you are in-lane. Under certain conditions, the system will automatically adjust the Sportage's speed to match the speed limit information provided by the navigation data (HEV models only).

Forward Collision-Avoidance Assist (FCA). Evaluating both camera and radar data from your vehicle, the FCA system analyses information about other cars, pedestrians or cyclists crossing the road to avoid a potential collision with them. FCA also functions to prevent collisions with vehicles when making a left turn at an intersection (HEV models only). If it detects a potential collision, a warning signal appears on your instrument cluster and maximum braking power is applied.

Blind-Spot Collision Avoidance Assist (BCA). The Blind-Spot Collision Warning system uses a front camera and rear radar sensor to monitor your blind spots and warn you of oncoming cars with a symbol in the side-view mirror. The Lane Change Assist system helps you change lanes safely. If you set the indicator prior to a lane change and the system detects approaching cars in the parallel lanes, the system activates a flashing light in the side mirror to warn you. Should you start to change lane whilst a car is in your blind spot, the system will intervene to avoid a collision (K4 HEV only).

Tailgate trim line. Add a stylish edge to your tailgate with this trim line. It's eye-catching from the rear, as well as emphasizing the other exterior styling features from every angle. Available in brushed aluminum optic, chrome optic and piano black.

Door mirror trims & Side trim lines. Attention to detail can make all the difference. Trim lines available in brushed aluminum optic, chrome optic and piano black.

Side steps. These side steps evoke a real sense of solid robustness that is sure to appeal to the outdoors adventurer in you.

Tow bar, retractable. Would you like to combine even more comfort with efficient transportation? Deployed and retracted via a switch located in the trunk, this top-quality, fully-electric tow bar conveniently folds up and sits invisibly behind the lower bumper when not in use.

Bike carrier Pro. Make light work of loading and unloading your bike - simply and safely. Once resting on the frame holder, you can adjust and secure your bike single-handedly at roof height using the convenient rotary knobs.

Expand your possibilities.

We've developed numerous purpose-designed Genuine accessories that enable you to create a car that precisely suits your needs, and complements your personality. So whatever you might need - a touch more style, comfort or practicality - our premium accessories offer you the perfect solution.

Cross bars. Light and easy to install, these strong and perfectly fitting aluminium cross bars help you transport all you could possibly need on your next journey.

Colour for character with style.

Dynamic or distinctive. Sporty or subtle. Loud or luxurious. One-tone or two-tone. With many colours on offer, the choice is yours to enjoy. And don't forget the high gloss black roof.

Complete peace of mind.

7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty. This bumper to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Kia Service Plan

Our Kia Service Plan means looking after your new Kia is a piece of cake. In order to keep your new Kia running like new, it has to be serviced every year. Now imagine having all the servicing your new Kia will need for the next two to five years sorted and paid for, in advance or monthly, and at a competitive price. Introducing Kia Service Plan, the easy way to look after your new Kia, and protect your 7 year warranty.

Stay in touch with Kia

Visit www.kia.com for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on. We're also involved in major sporting events:

Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal. Here in Ireland, Kia is a proud sponsor of The Kia Race Series.

You can also register on MyKia to receive email alerts from Kia Ireland. See kia.com/ie/mykia/ for more.

KiaFinance.ie

Kia Ireland has teamed up with Bank of Ireland Finance to offer Kia customers affordable HP and PCP finance packages across the entire Kia range. Your local Kia Dealer will explain in details the options available. For indicative costs, log on to our finance calculator at kiafinance.ie.

KiaService.ie

Battery units

Kia high voltage lithium ion battery-units in electric vehicles (EV), hybrid electric vehicles (HEV) and plug-in hybrid electric vehicles (PHEV) are built to have a long life. These batteries are covered by the KIA warranty for a period of 7 years from initial registration or 150,000 km, whichever comes first. For low voltage batteries (48V and 12V) in mild-hybrid electric vehicles (MHEV), the Kia warranty covers a period of 2 years from initial registration regardless of mileage. For EVs and PHEVs only, Kia guarantees a 70% capacity of the battery. Capacity reduction

of the battery in HEV and MHEV is not covered by the warranty. To minimize possible capacity reduction, consult the Owner's Manual.

The Kia 7-year warranty

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions.

All information and specifications are correct at the time of printing and are subject to change without notification. However some of the models and features shown in this brochure may vary from the models and equipment available here in Ireland. Please consult with your dealer to ensure that the vehicle you order has the specification you require. Due to the limits of the printing process, the car body colours shown may differ slightly from actual colours.
