Such changes will be updated on our website or notified to you in writing from time to time. Please check our website from time to time to take notice of any such changes we make, as they are binding on you.

#### Service in the United Kingdom

SKODA Roadside Assistance is available in respect of Vehicles registered with the relevant Vehicle Licensing Agency only.

#### (a) Roadside

If you are stranded on a public highway (or other accessible road or area to which the public has the right of access) as a result of a Breakdown to **Your Vehicle**, We will arrange for a **Contractor** to assist **You** who will try to repair the **Vehicle** at the roadside.

Roadside includes labour at the scene of the Breakdown but not labour at any garage to which the **Vehicle** is taken.

If the **Vehicle** cannot be repaired at the roadside, or if repairs are unwise, We will arrange for the **Vehicle** and up to eight people to be taken to an **Approved Repairer**. If you wish the **Vehicle** to be taken to any other destination We will use reasonable endeavours to assist if you pay for the towage costs for the whole distance.

If you cannot readily get to the **Vehicle**, We will arrange, if practicable, to have it towed to a place of safety and stored until you can collect it. You must be in attendance with the **Vehicle** at the time of **Breakdown** and at the time of assistance. If the **Vehicle** is stored, this is at **Your** cost.

#### Roadside does not include:

- Routine servicing of the **Vehicle**.
- Breakdowns which would be prevented by routine servicing of **Your Vehicle**.
- Any labour other than that incurred at the roadside including, without limitation, garages.
- The cost of parts, fuel or other supplies.
- Replacing tyres or windows.

– Missing or broken keys. We may in **Our** absolute discretion attempt to arrange the services of a locksmith if you pay them direct.

– The cost of ferry crossings, road toll and congestion charges.

– Vehicles being demonstrated or delivered by motor traders, or used under trade plates.

– Vehicles, which in the reasonable opinion of **Our** patrol or **Contractor**, had broken down or were unroadworthy before **Your Vehicle** became eligible for SKODA Roadside Assistance.

– Vehicles within a quarter of a mile of **Your** Home or where you normally keep the **Vehicle**.

– Contaminated fuel. However, We may in **Our** absolute discretion, arrange for the **Vehicle** to be taken to a local garage for you to arrange and pay for any work carried out.

– Any **Vehicle** storage charges before, during or after any assistance provided by Us.

– Assistance following an **Accident**, fire, theft or vandalism or other incident normally covered by a motor insurance policy. We may in **Our** absolute discretion arrange assistance if you pay for the cost of assistance. (You may be able to recover these costs under the terms of **Your** motor insurance policy).

– The tow or transport of any **Vehicle**, which, in **Our** reasonable opinion, is loaded beyond its legal limit.

– Any **Vehicle** in a position where We cannot work on it or tow it, or wheels have been removed. We can arrange to rectify this but you will have to pay the costs involved.

– If there are animals in the **Vehicle**, their onward transportation is at **Our** sole discretion and is carried out solely at **Your** risk. We will not insure any animal or livestock in transit, during any onward transportation.

#### (b) Recovery

Recovery has the same features and limitations as Roadside but with the following variations:

– Recovery operates only in the **United Kingdom**.

– If we cannot arrange for the **Vehicle** to be repaired locally within a reasonable time, We will arrange for the **Vehicle** and up to eight people to be taken to an **Approved Repairer** or to any other single address. If there are more than five people this may require two separate **Vehicles**. An adult must accompany any persons under the age of 16.

– Residents of Northern Ireland are also entitled to be recovered from the Republic of Ireland.

– In the event that the **Vehicle** is vandalised or is involved in a road traffic **Accident**, We may in **Our** absolute discretion provide Recovery to the nearest SKODA UK approved body shop or, if you pay for the towage for the whole distance, to a destination of **Your** choice.

#### Recovery does not include:

– Breakdowns of caravans, trailers or other objects being towed. If **Your Vehicle** suffers a **Breakdown** We will recover any caravan, trailer or other object which has not broken down and which was being towed by the **Vehicle** at the time of **Breakdown**, subject to the terms of SKODA Roadside Assistance including the length restrictions.

– A second Recovery if:

- a) the original issue has not been repaired properly by a party other than SKODA Roadside Assistance;
- b) SKODA Roadside Assistance have advised you that it is a temporary repair; or
- c) the desired destination cannot accept the **Vehicle** due to company opening hours or other restrictions.

If a second Recovery is required, this service can be provided but a charge will be made dependent on the service required, time of day and distance. These charges will be payable by credit/debit card prior to the relevant service being provided.

– Use of the services having the object or effect of avoiding repair costs. For example if a **Vehicle** can be repaired in a reasonable time We may not arrange recovery but arrange for repair instead.

#### (c) At Home

– At **Home** has the same features and limitations as Roadside but with the following variations:

– At **Home** is only available in the **United Kingdom**.

- Age limits. Drivers must be at least 21 years of age.

- Limitations on acceptable types or number of motoring offence penalties and/or penalty points endorsed on your driving licence.

- Or overnight accommodation for you and your party up to a maximum of £150 per person in total or £500 for your party whichever is less. This does not include the cost of providing meals and drinks. You will have to pay for any extra hotel or transport costs.
- Or a refund of the cost of public transport, standard class rail or other transport, for the driver, and up to seven passengers to reach the end of their journey, subject to a maximum of £150 per person or £500 for your party whichever is less.

#### The following do not form part of SKODA Roadside Assistance:

– Caravans, trailers or other objects being towed. However, if **Your Vehicle** suffers a **Breakdown**

We will recover any caravan, trailer or other object which has not broken down and which was being towed by the **Vehicle** at the time of **Breakdown**, subject to the terms of SKODA Roadside Assistance including the length restrictions.

This will be subject to certain restrictions and the terms and conditions of the vehicle supplier who will contract with **You** directly.

### 3. Accident Management terms and conditions

(a) Accident Management services do not form a policy of Insurance.

(b) Accident Management will only be provided following **Your** involvement in an **Accident** in the **United Kingdom** (please note that restrictions on certain services may apply in Northern Ireland).

(c) **We** can stop providing **You** with Accident Management at any time if **We** reasonably believe (at **Our** discretion) that the service **You** are requesting goes beyond the scope of Accident Management or will cause **Us** to incur unreasonable costs on **Your** behalf (for example, if any claim is disputed by **Your** insurers, **We** will not be obliged to assist **You** in pursuing the claim). This will not affect any other aspect of **ŠKODA** Roadside Assistance.

(d) Any contract for goods or services **We** obtain on **Your** behalf will be between **You** and the third party supplier (unless **We** notify **You** otherwise). **We** will not be responsible for the terms of any agreement with a third party supplier, or for the implications to **You** of entering into a contract on those terms. **You** should therefore check the terms of any such agreement carefully, to ensure that **You** are happy with them.

(e) There may be additional charges for goods or services **We** arrange on **Your** behalf including, but not limited to, services such as the sourcing of car hire or car repair. **You** will be notified of any additional charges (either by **Us** or the third party supplier) before **You** are obliged to enter into any contracts with any third party suppliers.

A **Vehicle** is only eligible to receive this aspect of **ŠKODA** Roadside Assistance if it is being used for a journey and returning to the **United Kingdom** within the **Contract Period**. Any number of journeys up to 90 days each in duration are eligible for **ŠKODA** Roadside Assistance, but longer stays are not. **ŠKODA** Roadside Assistance provided in respect of **Breakdowns** occurring in the European Territories is subject to a maximum total benefit of £2,500 per claim. In the event of a **Breakdown**, **We** will procure for the following, subject to the limitations for each section.

### 4. Service in the United Kingdom en route to the European Territory

If **You** are stranded on a public highway through **Breakdown** of the **Vehicle** on the outward journey from **Home**, to **Your** point of departure from the **United Kingdom**, or on the inward journey from **Your** point of entry to the **United Kingdom** to **Home**, **We** will arrange and cover the cost of services as if **You** were abroad.

In addition, **We** may in **Our** absolute discretion procure a contribution towards the cost of self-drive hire car including collision damage waiver and replacement Green Card as necessary, to complete the planned journey if **ŠKODA** Roadside Assistance confirms the **Vehicle** cannot be repaired within 24 hours, this is subject to a maximum contribution of £750.

(a) **ŠKODA** Roadside Assistance is available for:

- Attendance of local **Breakdown** or garage services to repair the **Vehicle** at the roadside if possible; or

- Storage charges for the **Vehicle** while awaiting repair or repatriation up to £100 (this is provided in **Our** absolute discretion); and

-The cost of wheel changes but not for replacement tyres, such assistance to be provided

at **Our** absolute discretion.

**ŠKODA** Roadside Assistance is not available for:

- Any labour costs other than those incurred at the roadside. **We** will not pay labour costs at any garage to which the **Vehicle** is taken; or
- Repair costs, including labour, if the **Vehicle** was in a road traffic **Accident**, damaged by fire or stolen or is considered uneconomical to repair; or
- The cost of parts used for roadside or garage repairs; or
- The cost of any repairs not directly necessary to enable the **Vehicle** to continue the journey on the date of the **Breakdown**; or
- The cost of any other supplies, including but not limited to **Specialist Equipment**.

If the Volkswagen Group European Roadside Assistance centre can confirm that repairs to the **Vehicle** will take more than 12 hours of being notified of a **Breakdown**, or if it is to be repatriated to the **United Kingdom** then **ŠKODA** Roadside Assistance may in **Our** absolute discretion provide for either:

a) **Additional accommodation expenses**

A contribution of up to £60 per person per day towards necessary additional (not alternative) accommodation expenses (room only) while **You** wait for the **Vehicle**. **ŠKODA** Roadside Assistance is not available for the costs of meals, drinks or any other costs.

**Or**

### b) Journey continuation or return Home

A contribution (subject to the limits set out in these Terms and Conditions) to travel expenses to allow **You** to either:

- Continue the planned journey during the period the **Vehicle** is not roadworthy; or
- Return **Home** by a direct route.

Expenses can comprise self-drive car hire up to a maximum of £750 including collision damage waiver and replacement Green Card as necessary, or second/standard class rail, or a combination of both. **ŠKODA** Roadside Assistance will in its reasonable discretion decide which course of action to adopt, but **ŠKODA** Roadside Assistance will take into consideration **Your** preference. **You** must collect the **Vehicle** when repaired, as once the **Vehicle** is repaired and **You** have been notified, **ŠKODA** Roadside Assistance will not pay any further expenses other than the costs of collection. This benefit may also be available, in **Our** absolute discretion, if the **Vehicle** is stolen and not recovered within 24 hours of reporting the matter to the police. A police report must be obtained. However, this benefit will cease if and when the **Vehicle** is recovered in a roadworthy condition.

**ŠKODA** Roadside Assistance is not available for:

- Fuel, oil, personal insurance, any collection charge if a hire car is left at a different location to that arranged or any other costs in connection with self-drive hire car.
- The cost of any car hire beyond the period agreed with the Volkswagen Group European Roadside Assistance centre.
- Any car hire expenses after the **Vehicle** is repaired except for the direct journey to return and collect it.
- First class rail fares.
- Any costs under this benefit if they are for a service **You** used at the same time as the previous section 'Additional accommodation expenses'.
- International drop charges where a vehicle hired from abroad is dropped within the **United Kingdom**.
- The costs of hiring a motorcycle.
- Any hire costs not arranged through **ŠKODA** Roadside Assistance or agreed by **ŠKODA** Roadside Assistance.

If **ŠKODA** Roadside Assistance can confirm that repairs cannot be completed by **Your** planned return date to the **United Kingdom** and providing the cost of repatriation is not uneconomical. (Repatriation will be uneconomical if it will cost more than the **United Kingdom** market value of **Your Vehicle** according to Glass's guide or other appropriate industry standard used by **ŠKODA** Roadside Assistance).

**ŠKODA** Roadside Assistance may in **Our** absolute discretion either:

a) **Vehicle repatriation to the United Kingdom**

Arrange and cover the cost of taking the **Vehicle** by a road transporter from abroad to **Your Home** or chosen **United Kingdom** repairer for repair in the **United Kingdom**. When repatriation is authorised it normally takes 10-14 working days for delivery to a **United Kingdom** address from most west European countries. At busy times and from east European countries it may take longer.

If the **Vehicle** has been fitted with a roof box or bicycle rack, **You** must remove and place it inside the **Vehicle**. The roof box keys need to be left with the **Vehicle** keys.

**ŠKODA** Roadside Assistance is not available for:

- Any repatriation not authorised by the Volkswagen Group European Roadside Assistance centre
- Repatriation if this is uneconomical. Repatriation will be uneconomical if it will cost more than the **United Kingdom** market value of the **Vehicle** according to Glass's guide or other appropriate industry standard used by **Us**.
- The cost of repatriation if the **Vehicle** is roadworthy.
- Any **Vehicle** being repatriated if Customs in any country find its contents are breaking the law.
- Any further costs in connection with the **Vehicle** once declared a write-off by **Us**.

**Or**

b) **Collection of Vehicle left abroad for repair**

Cover the following costs up to £600 for one person to collect the **Vehicle**, repaired abroad after **Breakdown**:

- Standard/second class rail fare plus other public transport fares which are necessary to reach the place of collection.
- Additional homeward cross channel ferry or rail fare for the repaired **Vehicle** (calculated by taking the actual fare less the value of any unused homeward portion of **Your** original cross channel ticket).
- Up to £60 per night for single room hotel accommodation necessary to complete the round trip – limited to room only.

**ŠKODA** Roadside Assistance is not available for:

- First class rail fares.
- The cost of any meals and drinks.
- The costs of more than one person.

**Note:** the Volkswagen Group European Roadside Assistance centre will decide whether **Your Vehicle** should be repaired abroad for **You** (or someone nominated by **You**) to return and collect. When **You** are advised the **Vehicle** is repaired and ready for collection, **You** must immediately notify **ŠKODA** Roadside Assistance by telephoning: **ŠKODA** European Roadside Assistance 24 hour helpline: **00 800 1330 3939**.

**Authority for repatriation or repair**

If the **Vehicle** is not able to be driven due to a road traffic **Accident**, fire, break-in or theft, any damage which **You** are entitled to have repaired by **Your** motor insurers must be reported to them immediately. **Your** insurers must decide whether to declare the **Vehicle** as a write-off, authorise repair abroad or have the **Vehicle** repatriated. **We** cannot repatriate the **Vehicle** unless **Your** insurers first give their permission. Any repatriation after an **Accident** is at **Our** absolute discretion.

**ŠKODA** Roadside Assistance also reserve the right to negotiate with them to reclaim costs incurred. If **Your** insurers cannot or do not give permission to repatriate then it is **ŠKODA** Roadside Assistance's decision alone whether to declare the **Vehicle** as a write-off, or repatriate or repair locally a **Vehicle** which cannot be driven as a result of a **Breakdown**, or as a result of a road traffic **Accident**, fire or theft, for which **You** do not have fully comprehensive cover.

## 6. Additional services

We may in Our absolute discretion provide the following if applicable:

### (a) Urgent message relay service

We may in Our absolute discretion relay urgent messages from the Volkswagen Group European Roadside Assistance centre to Your immediate relatives or close business associates if the Vehicle cannot be driven because of Breakdown, Accident or fire or it is stolen.

ŠKODA Roadside Assistance does not provide assistance with:

- Non urgent messages or messages to persons not described in the previous paragraph.
- The cost of relaying any urgent message not arranged through the Volkswagen Group European Roadside Assistance centre.

### (b) Replacement driver

We may in Our absolute discretion arrange and cover the costs of a replacement driver to drive the Vehicle and Your Party to Your destination or Home, if a registered doctor declares You medically unfit to drive and You are the only qualified driver.

A replacement driver will not be arranged if there is another qualified driver in The Party who is fit to drive. Replacement drivers are limited to one per journey abroad.

## A. Service in the United Kingdom and abroad

### Credit card details

ŠKODA Roadside Assistance will require Your credit card details if ŠKODA Roadside Assistance arrange a service for You which is not covered by, or exceeds, any levels specified in the part entitled 'Terms and Conditions'. If You do not provide ŠKODA Roadside Assistance with Your credit card details ŠKODA Roadside Assistance will not be able to provide certain services which will be notified to You when credit card details are requested.

### Caravans and trailers

The Vehicle restrictions apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7m. If the Vehicle which has suffered a Breakdown is towing a caravan or trailer and We provide recovery, the caravan or trailer will be recovered together with the Vehicle to a single destination. Other than as set out in this paragraph caravans and trailers are not eligible to receive ŠKODA Roadside Assistance. We do Our best to find solutions to motoring problems, but We regret We cannot arrange a replacement caravan or trailer in the event of Breakdown or, in Our absolute discretion, Accident damage which cannot be repaired. It is also virtually impossible to hire vehicles with tow bars and it may become necessary to repatriate a caravan or trailer together with a towing vehicle which cannot be repaired abroad by the return date.

### Unforeseeable losses or events

Except in relation to any claim You may have for death or personal injury or for fraud or fraudulent misrepresentation, neither We nor Our Contractors will be liable for any increased costs or expenses or any loss, damage, cost or expense incurred as a result of, or in connection with, ŠKODA Roadside Assistance that is not reasonably foreseeable, including loss of profit, business, contracts, revenue or anticipated savings, or for any business losses. We do not guarantee the provision of any of the benefits under this document, if there is anything beyond Our reasonable control (for example storm, flood, severe weather, severe road traffic congestion, natural disaster, terrorist attack, war, strikes) or the reasonable control of any service provider which prevents Us or a service provider from providing that benefit. Where such an event occurs, Our obligations under ŠKODA Roadside Assistance will be suspended and the time for performance of Our obligations will be extended for the duration of the event outside Our control. Benefits may be refused if You or any of Your Party behaves in a threatening or abusive way to any persons providing service.

### Taxi bookings

In some circumstances it can be quicker and easier for You to arrange a taxi. We may ask You to make Your own arrangements for taxi service. If so please send Your receipts to Us and We will reimburse You subject to these Terms and Conditions, in particular the limits set out in the 'Onward Travel' and 'Service Whilst Abroad' sections.

### Contractors

ŠKODA Roadside Assistance is provided by Volkswagen Group United Kingdom Limited. We reserve the right to change any Contractor (including the AA) in Our sole discretion from time to time.

Please note: Our Contractors provide services to Us and to drivers of Vehicles on Our behalf. Nothing in the Terms and Conditions creates a direct contract between You and the AA.

## B. Service in the United Kingdom only

### Battery related issues

We may in Our absolute discretion provide the following benefits:

- Initial attendance for a battery related issue.
- The fitting of any parts or batteries purchased by You prior to Our attendance is not covered. This is to ensure that parts are fitted from reputable sources in order to avoid secondary call outs.
- ŠKODA Roadside Assistance will test Your battery at that initial Breakdown attendance. If the battery is no longer serviceable and so fails the test You will be advised to replace it.

## C. Service abroad only

### Motor insurance

We strongly recommend You tell Your motor insurers before taking the Vehicle abroad. If You do not, Your motor insurance policy may only cover You for damage You might cause to other people or their property (third party cover). This means that You would not be covered for any loss or damage to the Vehicle. Your insurers will also need to know if You are towing a caravan or trailer. Service providers Unless the services are provided by ŠKODA Roadside Assistance patrols or Contractors acting on Our instructions and on Our behalf, We do not give any guarantee as to the services provided by:

- garages,
  - breakdown/recovery companies,
  - repairers,
  - car hire companies and
  - other third party service providers whose emergency services We arrange on Your behalf and/or pay for under European Motoring Assistance.
- Such entities do not act as Our agents or subcontractors and We do not accept responsibility for their acts or omissions. You should check that any repairs to Your Vehicle are carried out to Your reasonable satisfaction.

## Important self-drive hire car information

ŠKODA Roadside Assistance will normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as, the Vehicle, if there is one available.

If You were travelling in an MPV or similar Vehicle, ŠKODA Roadside Assistance may arrange two hire cars. ŠKODA Roadside Assistance will only arrange this if there are two qualified drivers in Your Party. Otherwise, ŠKODA Roadside Assistance will arrange alternative means of transport.

Self-drive car hire arranged will be subject to the normal conditions of the hiring company. You will be required to enter in to a vehicle hire contract with the relevant hire car provider, and such contract will be between You and the relevant hire car provider. Hire car providers do not act as Our contractors.

The terms of such contracts will generally include limitations on driver age, driving convictions and other licence penalties etc. The driver must also have held a full United Kingdom driving licence or equivalent for a minimum of one year (two years for France).

Your credit card details will also be required as security for the hire and to cover extras such as top-up of the fuel tank when returning the vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. If You leave a hire car at a different location to the one arranged by the ŠKODA Roadside Assistance contact centre You must pay any collection charge which may be made.

Please note that many car hire companies across Europe charge a damage excess which is not covered by the collision damage waiver. In some parts of Europe hire cars are not allowed to cross national borders. It may be necessary to arrange two hires or alternative transport to complete Your journey.

A car hired abroad must not be brought into the United Kingdom. It cannot be guaranteed that a hire car will be available.

ŠKODA Roadside Assistance cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans. ŠKODA Roadside Assistance will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with Your pre-booked ferry, etc. You may have to collect a hired vehicle from the nearest available place of supply.

#### Guide to table:

- Minimum age at which a visitor may drive a car.
- UK driving licences which do not incorporate photograph are recognised but, drivers must be able to produce photographic proof of identity (e.g. passport).
- All valid UK licences should be accepted. However, the acceptance of the older 'all green' style UK licences cannot be guaranteed. Drivers may wish to voluntarily update them before travelling abroad, if time permits. Alternatively, older licences may be accompanied by an IDP.
- Before taking a vehicle abroad contact your motor insurer or broker to notify them of your intentions, and ask their advice. It is important to know what level of cover you will have and what documents you need to prove it.
- GB Stickers are compulsory within the EU unless your UK registration plates display the GB Euro-symbol (Euro-plates) which became a legal option from 21 March 2001. The Euro-plate must comply with the new British Standard (BS AU 145d). The Euro-plate is only legally recognised in the EU; it is still a requirement to display a GB sticker when travelling outside the EU.
- Not required for two-wheeled vehicles.
- Although not compulsory for visiting motorists to carry a warning triangle, its use is compulsory in an accident/breakdown situation.
- Spain:** one warning triangle compulsory for non-Spanish registered vehicles; two for Spanish registered vehicles. **Note:** drivers of non-Spanish registered vehicles should consider carrying two triangles as, regardless of regulations, local officials may impose an on-the-spot fine if only one is available. **Croatia:** two triangles compulsory for vehicles towing a trailer. **Switzerland:** warning triangle must be kept within easy reach (not in the boot).
- The use of hazard warning lights or a warning triangle is compulsory in an accident/breakdown situation. However, a warning triangle should always be carried as hazard-warning lights have no effect at bends or rises in the road, or may become damaged or inoperative.
- Wearing, compulsory if driver and/or passenger(s) exits vehicle immobilised on carriageway, in **Italy** at night or in poor visibility, in **Spain** on all motorways and busy roads, it must be kept within the vehicle. In **Croatia** the wearing is compulsory whenever you have to get out of the vehicle at the roadside in an emergency. In **Portugal** and **Norway** the actual law applies to residents; however, regardless of the regulations local officials may impose an on-the-spot fine. In **Belgium** the wearing of the reflective jacket only applies to the driver, it must be worn should you be stranded on a Belgian motorway or on a major road or should you stop at a place where parking is not allowed. In **France** drivers must have one warning triangle and one reflective jacket in their vehicle. In **Austria** the regulation applies only to the driver.
- The legal requirement is to 'not dazzle oncoming drivers' rather than specifically to adjust/convert the headlight beam pattern. Without adjustment the dipped beam will dazzle oncoming drivers and this could result in a fine. Headlight beam converter kits are widely available but may not be suitable for all types of headlights. The AA shop sells beam converters suitable for all vehicles and individual fitting diagrams are included for the latest 'clear glass', 'projector and xenon' headlights inside the packaging. In some countries it is compulsory to use dipped headlights at all times when driving during the day. **Note:** this adjustment is not required for two-wheeled vehicles as the beam pattern is more symmetrical but check that any extra loading has not affected the beam height. On some cars it is inadvisable or impossible for anyone other than a qualified technician to change a headlight bulb unit e.g. high intensity discharge (HID) headlights and carrying spares is not an option. However, it is recommended that spare bulbs are carried for any lights that may be easily and/or safely replaced by the owner/driver. Spare bulbs are compulsory for **Croatia**.
- Sweden:** police are not authorised to actually collect fines, which must be paid in accordance with notice instructions. **Italy:** police will collect a quarter of the maximum fine amount from drivers of foreign registered vehicles. **Ireland:** police are not authorised to actually collect fines, they will issue a notice which must be paid within 28 days. **Croatia:** the fine does not have to be paid on-the-spot; however it does need to be paid within eight days. **Portugal:** some traffic police carry ATMs.
- Portugal:** visiting drivers of 17 years of age may encounter problems even though they hold a valid driving licence in the UK.
- Outside built up areas, during snow or rain causing poor visibility.
- Compulsory during daylight hours if the visibility is poor. For **France** the use of dipped headlights are recommended throughout the year, for **Croatia** during daylight hours from the last Sunday in October to the last Sunday in March.
- Recommended as their carriage is compulsory for vehicles registered in that country.
- Many countries now stipulate that GPS based navigation systems which have maps indicating the location of fixed speed cameras must have the 'fixed speed camera Pol (Point of interest)' function deactivated, please check individual touring tips.
- In order to use some motorways in **Portugal**, a temporary electronic toll device (DEM) or the pre-payment of tolls is required.
- Recommended for two-wheeled vehicles.
- In principle all drivers should possess a breathalyser, however, as of 25 January 2013 a driver can not be penalised for not carrying one – the possibility of imposing a fine has been postponed indefinitely. The breathalyser has to be a certified by the French authorities, showing an 'NF' number. The official text states that one unused breathalyser should be produced. We recommend that two single-use breathalysers are carried, so if one is used or damaged you will still have a replacement to produce.
